CIC exists to help spread the Gospel and serves as an advocate and a voice for God's people who are faced with crisis and persecution due to their faith in the Lord Jesus Christ. We believe that as members of God's family, the Body of Christ worldwide must respond in assisting and meeting the needs of the other members in God's family who are less privileged and less fortunate, even as each one labors to help reach the lost with the Gospel. "If one member suffers, all the members suffer..." 1 Corinthians 12:26a. Are you ready? Are you ready to respond to the challenge of volunteering overseas?

You won't regret it! Just ask those who have gone before you. Each year thousands of volunteers — people like yourself — go in His power throughout the world as evangelists, teachers, prayer walkers, musicians, athletes, medical personnel, Vacation Bible School workers, agriculturists and more.

You play an important role within the body of believers. God has uniquely gifted you with a heart to serve Him and all humanity. As you go in His power, sharing your faith and serving others, you'll bring glory and honor to Him.

Declare His glory among the nations, His marvelous deeds among all peoples. (1 Chronicles 16:24)

But many of them are trapped in lifestyles very different from the truth of the gospel. An epic spiritual tug-of-war is being waged for the soul of the country.

Poverty is a significant problem and in combination with inequality, it poses a serious threat to stability in the Philippines. Poverty is most severe and most widespread in rural areas where almost 80% of the impoverished live.

Rapid population growth and a shortage of land and jobs in rural areas have produced a steady migration of destitute Filipino residents to the cities. Urban areas are not excluded from the grasp of poverty, often leading to lives battered by drug abuse, child neglect, and human trafficking.
